

THE FODS COOKBOOK

FODS are looking for your favourite family recipes for our new, professionally designed and printed cookbook set to launch at the Summer Fete.

There's no cost to add your recipe, simply visit friendsofdewhurst.co.uk/cookbook and fill in the form, then return this page with your child's drawing of the meal in the box below to the FODS post box in the school reception. Every recipe submitted will be published. If your child makes a mistake and wants to redraw the image, you can download a new form from the link above. Maximum 1 recipe per child.

Pages in the cookbook will be published in black and white, so please do not add colour to your picture.
